The Institute of Chartered Financial Analysts of India University, Nagaland

ANNUAL REPORT 2014-15

His Excellency,
The Governor of Nagaland

I have great pleasure in presenting the seventh Annual Report of The Institute of Chartered Financial Analysts of India University, Nagaland for the year 2014-15.

The University was established by an act of Nagaland State Legislative Assembly vide Act No.2 of 2006. The operations were commenced in the year 2007-2008 from a hired premises in Dimapur city offering MBA, BBA and BCA Programs. The University has come a long way since then by moving into its own permanent campus in Sovima village on Kohima National Highway. Keeping the interests and aspirations of youth of the region in view, the University started introducing more social sciences and commerce programs from 2013-14 onwards. As on date apart from above three programs BA (Pass & Honours), B.Com (Pass & Honours), BA (Library & Information Science), MA (Political Science), MA (Literature) and Ph.D (Management) courses are being offered by the University.

The University Grants Commission has vide its Notification No:F8-15/2009 (CPP-1) dated Nov. 14, 2009 empowered our University to award degrees as specified by the UGC under Section 22 of UGC Act 1956 as amended vide The Gazette of India No.27 dated July 5-11, 2014. The University has been inspected by an expert committee nominated by UGC and AICTE during Aug 2014.

The University is striving hard to impart quality education to the local youth obviating their need to travel to far off places at a heavy cost to their parents.

The University has plans to introduce CBCS (Choice Based Credit System) to facilitate students to learn across the disciplines and plans are also afoot to start few skill based Certificate Programs from 2015-16 onwards. Both these initiatives are in line with the guidelines received from UGC. Our aim is to make the local youth employable and further help them in becoming good citizens of the country.

We at the University are glad to place on record the kind of encouragement and support being received from time to time from our Sponsoring Society ICFAI, and the Government of Nagaland, and we are grateful to them, for the same.

With its highly qualified faculty and excellent academic environment the University is receiving good response from students and parents and we are poised to become the 'Best University in the Region' soon.

The enclosed report gives the details of activities undertaken in the University during the year 2014-15.

Dr. VRK Prasad
Vice Chancellor

Annual Report (2014-15)

The Seventh Annual Report of the Institute of Chartered Financial Analysts of India University, Nagaland relates to the period from April 01, 2014 to March 31, 2015.

This is in the compliance of section 44 of the Institute of Chartered Financial Analysts of India University (Nagaland) Act 2006 (Act No.2 of 2006).

THE VISITOR

His Excellency
Shri P.B. Acharya
(Honorable Governor of Nagaland wef. 14th July 2014)

THE CHANCELLOR

Prof. Y.K. Bhushan
Chancellor

About the University

The ICFAI University, Nagaland (IUN) belongs to the ICFAI University Group (IUG), which pioneered higher education movement in India. IUN has been established to develop a new cadre of professionals with high level of competence and deep sense of ethics in the tribal dominated state of Nagaland. Established by an Act of Nagaland State Legislative Assembly (vide Act No.2 of 2006, dated 30th August 2006; under the notification No. LAW/ACT-11/2006, dated 19th September 2006). Consequently, the University has been empowered by UGC to award degrees, under Section 22 of UGC act 1956; and recognised by UGC under Section 2(f). The University currently offers BBA, BCA, BA (Pass & Honours), B.Com (Pass & Honours), MBA, MA, and Ph.D Programs.

The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting and publishing. The University has carved a niche for itself in developing youth of the region into professionals through quality higher education.

The University has organised several Seminars, Academic Development Programs, Competitions, Sports, and Cultural Festivals etc. The Infrastructural soundness of the University is commendable. It has an excellent library with over 7,500 books and 60 journals; state-of-the-art computer lab with the latest in the field of IT and Internet connectivity; and well laid out classrooms with modern teaching aids.

Adding to this infrastructural fineness, is the team of experienced and well-qualified faculty and staff.

Organizations where IUN students got opportunities for Internships / Campus Placements include Axis Bank, HDFC Bank, Syndicate Bank, Maruti Suzuki, Birla Sun Life Insurance, BSNL, Vodafone, H.N Company, Reliance Retail, Tata Motors, Symbiosis, Hindustan Unilever, Idea, Airtel, Vishal Mega Mart, Bharati AXA, Life Insurance Corporation of India, AIKO, Nagaland Industries Development Corporation, Nagaland Paper & Pulp Corporation, DIMUL, Sky Wealth Management, etc.

Membership

The University is a member of the Association of Indian Universities (AIU).

The University is also a member of the Association of Commonwealth Universities, UK.

MEETINGS OF THE UNIVERSITY AUTHORITIES

Regular Meetings of the University Authorities viz, Board of Governors, Board of Management, Academic Council, and Finance Committee have been held as per statutory provisions.

Establishment of the University

The ICFAI University Nagaland (IUN) has been established by an Act of Nagaland State Legislative Assembly (vide Act No.2 of 2006, dated 30th August 2006; under the notification No. LAW/ACT-11/2006, dated 19th September 2006). Consequently, the University has been empowered by UGC to award degrees, under section 22 of UGC act 1956; and recognised by UGC under section 2(f). The University is a member of the Association of Indian Universities, and also a member of Association of Common Wealth Universities, UK.

The ICFAI University Nagaland is committed to impart quality education, at Undergraduate, Postgraduate and Doctoral levels. The University currently offers BBA, BCA, BA (Pass & Honours), B.Com (Pass & Honours), MBA, MA, and Ph.D Programs. The University will introduce programs in some more elective areas in the academic session 2015-2016. These programs are designed to provide contemporary knowledge and skills both functional and integrative. The University is also planning to introduce CBCS (Choice Based Credit System) from academic year 2015-16 onwards as per UGC/MHRD guidelines.

The University is sponsored by the Institute of Chartered Financial Analysts of India, a not-for-profit educational society established in 1984 under the Andhra Pradesh (Telangana Areas) Public Societies Registration Act, 1350 Fasli (Act 1 of 1350F).

UGC Status

The University is empowered by University Grants Commission to award degrees under section 22 of UGC Act, 1956 vide letter No.F-8-15/2009 (CPP-1) dated November 04,2009, as amended.

Finances

As per the provisions of the Act, the University is a self financing private University supported by the Sponsor Society.

Right to Information Act 2005

The University has complied with the provisions of the Right to Information Act 2005.

- The University has implemented the policy on Prohibition, Discrimination and Sexual Harassment. The University has also implemented the policy on the prevention of Ragging.

Contribution of the University

- To provide high quality, value-based, career-oriented education for students.
- To facilitate students in understanding, developing, integrating and applying both core and specialized concepts and practices.
- To provide students with stimulating and learning atmosphere to utilize a higher level of their intellectual capacity required to specialize in the respective areas of study.
- To produce energetic, effective, efficient and ethical professionals to meet the desired needs of the dynamic world and serve the society.

More details on IUN can be found by visiting its website at

www.iunagaland.edu.in

Infrastructure & Resources

Campus Infrastructure

The University is located in Sovima (Dimapur) and functions from a state-of-the-art Campus, with all amenities required for imparting quality education. The University has an excellent library; well organized computer lab with the latest in the field of IT and Internet connectivity; and exceptional classrooms with modern teaching aids.

Academic Infrastructure

Classroom Instruction: Students receive full time classroom instruction, which will help them learn and consolidate their understanding of the subjects.

Library Facilities: The University has a well-stocked library and is being augmented regularly with books, periodicals, journals, magazines and other publications. Students have access to the finest collection of contemporary books and journals which supplement the prescribed reference books and textbooks. The resources existing at the central library provide opportunities to gain significant appreciation and understanding of management and information technology subjects which go beyond the classroom learning. The University is planning to acquire an E-library during next academic year to help Research Scholars to have access to a large number of international journals.

IT Lab: Assignments related to computers will require students to spend significant time in the lab. All students will have access to a well-equipped computer lab for their practical work in IT courses.

Computing Facilities: The University is provided with the necessary latest hardware and software infrastructure to cater to the computing needs of all

students and faculty and the training needs of information technology related courses. It is equipped with servers and multiple terminals with multiple operating systems enabling a client server environment. Internet connectivity is provided to the students to help them in their continuous search for knowledge with the help of world-wide-web.

Faculty Resources: The University plays a significant role in ensuring quality education through interactive teaching. The faculty brings their extensive knowledge, professional experience and advanced education to their task at the University. The faculty members have outstanding academic backgrounds and sound conceptual knowledge in their respective disciplines. They are practicing professionals and academicians drawn from industry and leading institutions.

Approach & Pedagogy: The educational methodology adopted by the University encourages independent thinking and

help the students develop holistic perspectives, strong domain knowledge, contemporary skill-sets and a positive attitude. The University has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant value to the learner's understanding in an integrated manner.

Programs of the University: The University offers the following campus-based programs at Dimapur, Nagaland.

UG Programs	
BBA	3 years
BCA	3 years
BA (Hons)	3 years
B. Com (Hons)	3 years
BA (Pass)	3 years
B.Com (Pass)	3 years
PG Programs	
MBA	2 years
MA (Pol. Science)	2 years
MA (English)	2 years

Placement Committee

The Placement activities are managed by the Admission & Placement Department of the University who looks after the training and placement activities on a full-time and continuous basis. The committee is staffed by senior professionals and

placement executives, the team initiates and maintains the University-Industry dialogue and manages the summer internship programs/projects and final placement activities. The team evaluates student performance levels and ensures

relevant preparation for their corporate placements. The placement department interacts with the prospective recruiters, arranges pre-placements talks and workshop and provides all the facilities required by the visiting companies.
